Has Successfully Completed

The Infectious Disease Management Program

October 2, 2017

Date

Sponsored by Merck Animal Health and Clorox Healthcare in coordination with the National Association of Veterinary Technicians in America (NAVTA), the International Boarding and Pet Services Association (IBPSA), and Pet Sitters International (PSI).

The Infectious Disease Management Certification Program Continuing Education includes Infectious Diseases of Dogs (RACE #722.29915) and Preventing the Spread of Infectious Disease (RACE #722.92570) and is approved for 2 hours of RACE-approved veterinary continuing education. It also qualifies for 2 hours of CPPS®-approved pet-sitter continuing education and 2 hours of PACCC-approved continuing education units for pet professionals.
